JW78360	Digital Balance 300g/0.01g
---------	----------------------------

Note: These are Load-Cell Type Balances with mechanism imported from China. Although they are very price effective, but at the same time they are very sensitive if balance is overloaded by even few grams. Overloading voids the warranty claim. Also the warranty is limited to 3 months and after that after-sales service is not available for these balances. Thus we request you to consider these facts before purchasing.
