Meter Rule, Stainless Steel

Product Image

Description

Manufacture from stainless steel. Stainless steel rules are very sturdy, corrosion resistant and have precision measurements for efficient use.

These are economical, highly reliable and long lasting.

Available in one meter long and half meter long models.

Standard graduations in both metric and english(inches) scales.

A quality product from JAPSON ideal for use in School Laboratories in developing countries of Asia, Africa and South America. Standard specifications for school laboratory use. Ideal mix of Quality and Economy. Other configurations and superior quality available for specific use or for developed countries. Our products are regularly supplied in Ministry of Education

Tenders from India for School Physics, Chemistry, Biology, General Science and Mathematics Laboratory projects.
