Micro Tip Box

Product Image

Description

Material: Polypropylene

These unique box are moulded in polypropylene and are therefore autoclavable. The box itself is clear providing an excellent view of the tips inside while the table like structure is provided inside to hold the tips. The tip holding space are uniformly placed to facilitate the use of multi channel pipettes. The cover is joined to the base through ball catchers hinges and provides excellent protection to the tips.

Catalog No.	Particulars
JW07701	For 96 Micro Tips of 2-200 ul
JW07702	For 100 Micro Tips of 200-1000 ul
