Optical Fiber Lamp

Product Image

Description

This fibre lamp is suitable for use in medical treatment, laboratory, precision instrument inspections and work benches. The unit constitutes a flexible fibre optic cable which can be taken flexibly to any part to illuminate the sample under inspection. It provides direct intense light without heat. A 20 watt bulb is provided which operates on 220 volt AC. The Fibre Lamp is furnished with 1.8 metre cord and is having double shades designed for fast heat dissipation.

Available Option:

1. Single fibre optic cable
2. Dual fibre optic cable

Model	Catalog No.
Optical Fiber Lamp	JH-20RTFL

Note: Halogen machine lights are also offered in 12V / 24V operation, depending on the quantity.
