PH TEST PAPER

Product Image

Description

pH paper wide-range pH test paper (from 1 to 14) to determine the alkaline or acidic content of a liquid. Solutions with a pH less than 7 are considered acidic, while solutions with a pH greater than 7 are considered

basic or alkaline. A pH of 7 is neutral.

The package contains 3 bottles, with no less than 100 strips (not in meters). There should be a color usage guide with a number indicating each color.
